Wilson Pledges Unbiased Study Of City Matters

Running for a seat on the Torrance city council with "no political axes to grind," and pledged to an independent race is Richard B. Wilson, 31, of 109 Calle de Arboles. A veteran of the Naval Seabees during World War II, Wilson has been in his present home for three years. He was born in South Bend, Ind., and received his basic schooling in Chicago.

He was graduated from Woodbury College after pursuing business administration courses, and has been in the real estate business for seven years.

Wilson has been a member of the YMCA for 25 years, and was active as a counselor and swimming instructor for the Chicago YMCA.

"I favor election of council candidates from precincts," he said recently.

He advocates formation of a ways and means committee on the council to work out ways of financing city needs without adding to the tax rolls.

"The first thing the council thinks of now when they need a little money for something is to get it from taxes," he said.

He also advocates closer relationship with other bay area cities, he said.

An efficiency committee in the city to tell us how we can do these things which need to be done, Wilson said.

"What is good for Torrance, and how are the citizens coming out?" would be the question he would ask on every issue, he said.

Dr. Thompson Named Scout Group Head

Dr. Robert Thompson of Torrance has been named chairman of the Boy Scout sustaining membership committee in the Harbor District, according to Dean Sears, district finance chairman.

Other Torrance men participating in the sustaining membership program are Jim Becker, Ted Olson, Fred Hansen, Jim Post, Dan Hyland and George Vico.

Sustaining members pay \$10 to support one boy for a year in Scouting. This money helps to pay for camping program, leader training activities, and field. It costs \$2350 or \$450 per family per year to maintain a boy in a correctional institution, Dr. Thompson pointed out.

DeMolays to Hold Dance

John Trenary will be installed as master counselor of the local DeMolay Saturday, 8 p.m. in ceremonies preceding a reception and dance at the Masonic Lodge.

A graduate of Torrance High School, Trenary will be assisted by the following newly-elected officers:

Dick Donaldson, senior counselor; Philip Choll, junior counselor.

THOMASIAN NAMED TO ENGLE CAMPAIGN

Congressman Clair Engle, Democratic candidate for United States Senator, today announced the appointment of Attorney Harold Thomasian as his campaign chairman in the 17th Congressional District.

Thomasian, a resident of Palos Verdes Estates, is now serving his second term as president of the Hollywood-Riviera Democratic Club. During World War II, he served in USAF.
